SUMMARY OF BENEFITS FOR HOUSE STAFF - 2020

1. **HEALTH AND WELFARE** — choice of plans under medical, dental, vision, supplemental short-term disability, long-term disability, supplemental life insurance/accidental death and dismemberment, and flexible spending accounts. Hospital and health insurance benefits for house staff and their families, with coverage, start on the first day of employment. Cost of coverage is largely employer-subsidized. In addition, the following are provided to the employee:
   - Employer-paid Basic Life Insurance/AD&D at 1½ times pay up to $500,000
   - Salary continuation during disability for up to 12 weeks and 50% Short-Term Disability thereafter at no cost to the employee
   - 50% Long-Term Disability provided at no cost to the employee

2. **RETIREMENT PROGRAM**
   a. **403(b) Plan**
      - Voluntary pre-tax contributions to the Annual IRS limits
      - Voluntary after-tax contributions of up to 10%

3. **ANNUAL TIME OFF BENEFITS**
   Members of the house staff are entitled to 20 days of paid time off (PTO) each contract year. These 20 days must be used during the period covered by the contract and may not be carried into subsequent years.

   Note: All requests for leave, other than disability, are reviewed by the Department Chairman on a case-by-case basis. **All time away from formal graduate medical education, other than allotted PTO, may lead to a shortfall in the time needed to complete the requirements of both the residency program and the corresponding certifying Board. In such situations, additional months of training may be necessary.**
